## Report of webinar on "TRAUMATIC BRAIN INJURY AND ANAESTHESIA"

On 27<sup>TH</sup> DECEMBER 2021

A webinar on "TRAUMATIC BRAIN INJURY AND ANAESTHESIA" was organised by the department of Anesthesiology, AIMS BG Nagara- as a part of the webinar series.

### RESOURCE PERSON:

Dr.V.Bhadri Narayan  
Professor, Department of Anesthesiology, National Institute of Mental Health and Neurosciences, Bengaluru  
Former Superintendent, NIMH ANS, Bengaluru  
NABH Coordinator

The objective of this webinar series has been to expose the students to enlighten their knowledge and deeper understanding on traumatic brain injury and its anaesthetic management.

### Details of the program:

Welcome note was given by Dr. Chethanananda TN, Professor and Head, Dept of Anesthesiology, AIMS, B G Nagara.

Our beloved principal Dr. M.G.Shivaramu, took first step in the course by inaugurating the program.

The speaker was introduced and scientific session was handed over to the resource person by the chairpersons Dr Vasantha Kumar K R, Professor, Dept of Anesthesiology, AIMS, B G Nagara and Dr Kumar Lakshman, Assistant Professor, Dept of Neurosurgery, AIMS, B G Nagara.

This interactive webinar was delivered using the Google meet platform and was completed in one hour (2:00pm to 3:00pm). The presentation was followed by doubt clearing session for about 30 minutes. This webinar was attended by around 50 members.

At last, vote of thanks was delivered by Dr.Chethanananda T N, Professor and Head, Dept of Anesthesiology, AIMS, BG Nagara, to all who were involved in our webinar.
