

Report of "World Tuberculosis (TB) Day - 2022"

at Srirangapura, Nagamangala, Mandya.

Theme: "Invest to End TB. Save Lives"

NTEP AIMS, Dept of Community Medicine, AIMS, in association with District TB Office, Mandya and Sri Adichunchanagiri College of Pharmacy, observed "World Tuberculosis (TB) Day - 2022" at Srirangapura, Nagamangala taluk, Mandya district, a village selected under 'Unnat Bharat Abhiyaan' on 24th March 2022.

Dr Shashikantha S K, Associate Professor of Community Medicine, Nodal officer for NTEP AIMS, addressed the gathering about the importance of TB preventive measures in the community.

The programme included activity on Active Case Finding for TB followed by Tuberculosis Awareness Skit (Street play) by students of ACCP. Around 60 students took part in the event.

Program successfully created community awareness on TB among village members of Srirangapura. More than 100 members attended the program.

The Programme was organised under the guidance of Dr. M. G. Shivaramu, Principal, AIMS, Dean Health Sciences (Medical).

Dr Shashikiran M, Dr Sheethal M P (NSS Co-ordinator), Dr Prabhudev, Dept of Community Medicine, Dr Rajesh, ACCP were present on the occasion.

Dr Raghu, Medical Officer-AC Giri, Mrs Divya, ICDS Supervisor, Health workers, Anganwadi Workers & ASHA workers took active part in the programme.

Special thanks to Dr Ashalatha, DTO, Mandya and Dr Balu P S, STF-TB chairperson for all the guidance and support.
