

Report of the "World suicide prevention day" - 2022 observance at AIMS

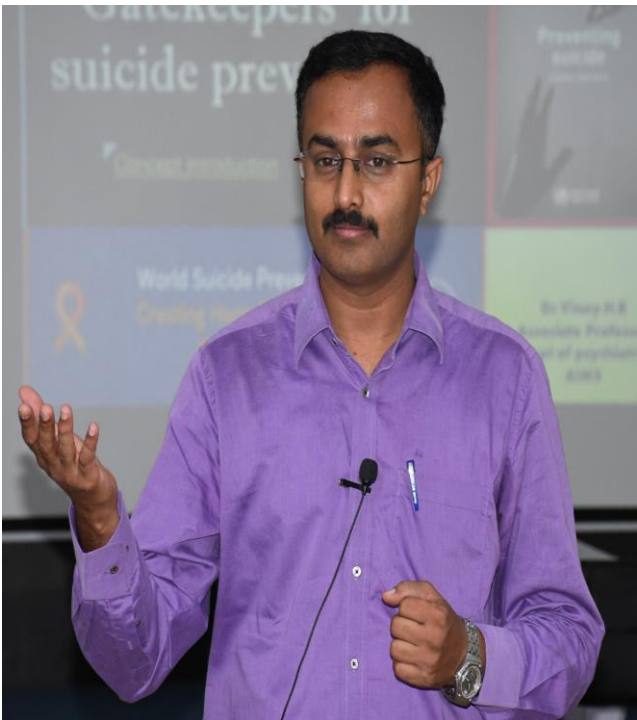

Department of Psychiatry and Student Support Cell in association with AIMS NSS unit jointly organised the 'Gatekeeper training for Suicide prevention', a workshop-based program on the occasion of World Suicide Prevention Day held on 10th September, 2022 between 10:00 am to 1:00 pm at MEU hall. The program was inaugurated by Dr. M.G. Shivaramu, Principal, AIMS and Dean (Health Sciences- Medical), ACU. Dr. Shivakumar.B.K, head of the department of Psychiatry welcomed the gathering and gave opening remarks. Volunteering students from all batches of MBBS and PG (MD/MS) were the participants of the Workshop. The objective of the program was to build a network of 'gatekeepers' and equip them with the knowledge and skills to identify and provide timely help to suicidal persons. After the pledge taking ceremony by all participants the scientific sessions began which included role play, group activity for suicidal risk assessment and open house discussion. The workshop was moderated by Dr. Vinay.H.R, associate professor in Psychiatry and compered by Dr. Vaibhavi.P.S, Senior resident in Psychiatry. The program ended with feedback from participants and vote of thanks by Dr. Sheethal.M.P, NSS Coordinator.

The following volunteering students (UG and PG) were trained:
