Report of “Basic Care and Life Support” organized by Skill and Simulation Centre in association with RGUHS affiliated Jeeva Raksha Trust 17th - 19th January 2023

A three-day BCLS workshop and TOT program for faculty from various department was organized by Skill and Simulation Centre in association with RGUHS affiliated Jeeva Raksha Trust from 17th to 19th January 2023. Expert resource faculty from Jeeva Raksha Trust were facilitators for the sessions.

Objectives of the workshop and TOT

- To recognize the common medical emergencies
- To administer the cardiac resuscitation, including safe use of defibrillator.
- To learn proper technique to save a patient with an obstructive airway (choking) in all age groups

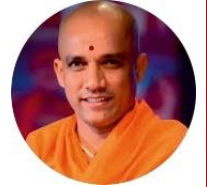

Thirty-five faculty from various departments participated and benefited from the hands-on training. Faculty members are certified instructors for BCLS workshops.
