

II Jai Sri Gurudev II

Adichunchanagiri Institute of Medical Sciences

(A Constituent College of Adichunchanagiri University)

(Recognized by Medical Council of India, New Delhi, General Medical Council, London (U.K))

Department of Radiology

The workshop and CME titled “APPROACH TO FNAC BIOPSY-AN OVERVIEW” and talk on “MR SPECTROSCOPY-PRINCIPLES AND APPLICATIONS” will be conducted by Dr. Arjun Prakash. The workshop titled “CT-GUIDED CORE BIOPSY OF LUNG LESIONS” was conducted by Dr. Anil Kumar.

The day started with an introduction by the HOD, Dr. Shashikumar M R, followed by brief introduction of the guests, Dr. Anil Kumar & Dr. Arjun Prakash.

The first session for the day was by Dr. Arjun Prakash. A brief discussion on MR Spectroscopy and its uses followed by a question-and-answer session.

This was followed by a break and informal discussion with the participants.

In the following session the chief guests, The principal Dr. M G Shivaramu and the Medical Superintendent Dr. Sagar arrived and were introduced to the chief guest by the HOD.

The chief guest, Dr. M G Shivaramu gave a speech and provided guidance to the postgraduates following which there was a tea break and interaction with the guest speakers and the chief guests.

This was followed by a theory briefing on the biopsy needles and the equipment by Dr. Anil Kumar, Dr. Arjun Prakash where he provided the participants with information about the biopsy needles, their types and the uses of such needles and gave instructions for the hands on workshop.

A lunch break followed, from 12:00-1:00.

The afternoon session began with a hands-on demo on an anatomical replica following which the participants were given a hands-on program of the biopsy needles.

The participants were instructed in the use of the needle and their inner working. The session was extremely informative.

This was followed by a vote of thanks by the HOD, Dr. Shashikumar M R who thanked the guest speakers for their enthusiastic involvement in the program and the program was ended following a tea session at 4:00 PM.
