Breast Cancer Awareness Month 2021

Summary of webinar series conducted on October 22nd on Breast imaging.

We are pleased to announce that a webinar series was conducted by the department of radiodiagnosis on 22nd October as a part of breast cancer awareness month-October 2021 on the topic “Breast Imaging Update” between 2.15 to 3.30pm at 02.30 PM

Dr. Shivadarshan welcomed the main speakers Dr. Shilpa Ramachandra, Consultant Radiologist, Manipal Hospital, Bengaluru, Dr Rupa Ananthasivan, Consultant Radiologist, Manipal Hospital, Bengaluru and Dr Divya Santhosh, Consultant Radiologist, Sri Shankara cancer Hospital, Bengaluru who are considered to be best in the field of breast imaging.

Dr. Shilpa Ramachandra spoke on ‘**Mammography still the gold standard**’ in detail covering the importance of screening and diagnostic mammography. Dr Rupa Ananthasiva spoke on ‘**Ultrasound of the breast -A great Accompaniment**’ covered the importance of USG a simple method to evaluate breast lumps. Divya Santhosh exclusively covered the topic of ‘**Recap of BIRADS and Breast interventions.**’

The event was moderated by Dr. Shivakumar M, HOD of department of Surgery and Dr.Ravindra Pukale, HOD of OBG, The webinar lasted for 1 hour and 15 min with enthusiastic participation by the attendees followed by question and answer session.

The vote of thanks was presented by Dr. Manu R Assistant professor, Department of Radio Diagnosis.
