11	Brief report of the event (in about 200 words)	IAP DIVISIONAL LEVEL QUIZ: A Paediatrics Journey, the Divisional Level Inter-Collegiate Quiz Competition for Phase 3 Part 2 MBBS students, witnessed enthusiastic participation from across Karnataka. The preliminary online round was held on 30 th August 2025, with 16 teams from various medical colleges. 6 teams were shortlisted for the on-site event held on afternoon 30th August 2025. The event began at 9:00 AM with the prelims, followed by semi-finals featuring 6 selected teams. The semi-final rounds included image based spotters , Scientist Round and Case Studies. Our team secured 7th place overall. Breakfast were arranged by the hospital.

		The program concluded at 2:00 PM with the distribution of prizes and certificates to all participants.
12	Feedback Analysis (brief)	The quiz competition was a great learning experience, testing our knowledge of pediatrics. It encouraged quick thinking and teamwork, and helped us deepen our understanding in a fun and competitive way. Competition fostered healthy academic rivalry and enhanced team collaboration. Overall, it was a well-organized event that greatly contributed to our academic growth and confidence.
13	Outcome	The quiz competition strengthened grasp of subjects and enhanced teamwork skills, and promoted academic excellence through engaging inter-college participation. It also helped us think more clinically and aided in applying the knowledge we gained.
